Dear Mr. Bishop:

The Channahon Park District and the Festival Committee would like to thank you for doing such a wonderful job at our 1998 Channahon Three Rivers Festival.

This was the second occasion that you have performed at our festival and as usual you had an outstanding performance. Some performances the people come watch and then they leave, but people came and stayed throughout your performance.

I especially appreciated the fact that you were able to hypnotize volunteers from the audience. What a great ending to your performance. The audience loved every minute. We look forward to working with you in the future.

I would strongly recommend Glenn Bishop, his magic show and hypnotizing performance to any event seeking a quality performer to enhance their event.

Sincerely,

Dear Glenn,

I would like to take this opportunity to thank you once again for all your time and effort in helping me produce the video tapes for my lecture on con games. As you know the material you performed will be used to help educate other Police Officers throughout the United States on how con games work.

Your presentation of three card monte and the three shell game were excellent. The segment you taped on crooked gambling was fantastic also.

Thanks once again for all you help.

Sincerely,

To Whom It May Concern:

Consider this a letter of introduction, a letter of resume', or just a letter from a good friend. Call it what you will, there simply is no person on my christmas list more deserving of a letter of praise and gratitude more than Glenn Bishop!! Having had the pleasure of working with Glenn on both television and radio, (and more recently on a live stage show) I can only declare that his talents and abilities are regarded by myself and others that he entertains as "second to none"! His superb showmanship, personality, and extraordinary skills never fail to amaze and astound the most skeptical audience.

Glenn and his "company" came to Viroqua, Wisconsin last February to do a fundraiser for the support of live theatre entertainmt. As a member of the Ocooch Theatrical Players myself, I can tell you that thanks to "The Glenn Bishop Magic Show", our efforts were a tremendous success!

We look forward to engaging Glenn again this summer and wish the very best to him until we meet again.

With great pleasure.....

and respect,

Dan E. Mott
